### POLITICAL POSSIBILITIES.

Whether Probable or Not It Sounds Like Hadley's Kind of Politics.

Jellerson City, Mo., March L.-A. political story reached here twelve from whitely has broade Governor Hadley, Senator Warner Lieutenant Governor Cimelieb and Jestse John J. Billies of the University States Court of this district, It turns this was a Justice Philips will being from the bench about June 1. This stationed was printed according ago. By the time the Judge retires it is thought rounter Warner will have been boundfired it would be disclose for him to the for amother some in the remain main if the strain are properly areased to short life. into the Feneral Indgeship when Pullips retires; locwill gladly nempt

Following this Hailey is to resign and Graelieb will appoint from to till out the unexpired term of Senator Warner and thus give him time to seek the senatorial nomination and square things up with the Postmusters and Federal officeholders whe now constitute the bulk of Samtor Warner's strength, if not all of his following.

It is said the only obstacle in the way just now is President Taft, who, while he professes great admiration for Senator Warner, will not commit himself as to Philips' successor.

Asked concerning this matter tonight. Hadley said he did not want to spell a good chance for some newspaper men to specifiate politiearly, and hence, would only say if he should resign the governorship under the circumstances stated and accept the appointment of Senator he would probably seek observes to that office later on:

#### THE SUGAR TRUST DUTY OF CONGRESS.

How quietily Congress has been thie to forget the Sugar Trust haves ligation so beadly called for at the December opening! Riper scandals with something more of life and inmediate action are hobbing on the surface. The high cost of living investigation has froited across the stage, and now the President's at-

pearance as the attorney for the de-

fense, aids in taking the Sugar

Trust out of the danger zone.

But how much of a burden do the leaders of Congress feel they can carry before the people next full? It are an unusual size and exquisitely carry before the people next full? It did seem to many as though the and celvery of excellent substance. success of the investigator who discovered the crooked scales opened an avenue for the majority in Conrowing at its best in open ground, you are avenue for the imajority in Con-amort conceive of the beauty of its greas to get to the heart of one of The the most desperate pirates of trade in the whole entegory of trusts. Here is an institution, which through growth with extreme hardiness, send-ing our quantities of beautiful thick along series of years, evaded every agreet profession of blooms high upon the leaves. The bads are exquisitely formed opening to large full flowers of excel-lent substance of a mystic, delicate pink. A thing of broade, and no one should full to their collection for valuable roses. were satisfied. There were 3.25d are plications for labor help, of which 2.188 were satisfied.

The one woman porter who asked.
